FIRE DESTROYS HOTEL AT GIDDINGS

The report reached Bryan this afternoon through Conductor Ephraim on the H. & T. C. tap which runs between Bryan and Giddings, that the Union Hotel in that city was completely destroyed last night with all its contents by fire at 12:30 o'clock. The fire engine belonging to the city was also lost in the conflagration. A man, who was not the regular driver of the apparatus carried the engine to the scene of the fire and stopped it close by the building and not knowing how to operate same left it and rushed into the building to assist in having the furniture. After he was gone the engine was unnoticed until it was too late to remove same and it was also destroyed with the building.

There was no one hurt in the fire which caused a loss of approximately \$10,000 to the building and its contents with no insurance on either.
